OFFICE REPORT

To all our members and families we have all had a very different start to the 2020 year .At the end of last year we not only suffered drought conditions but along with the fires in most states and then along came the covid19. All 3 have certainly put a strain on everyone with the equine industry being no different. Isolation was one of the biggest problems and of course not being able to support the Agricultural shows which we all know that most had to be cancelled, with only a few being held earlier in the year.

OH WHAT A YEAR!!!!!!

Going back to 2019 we had a successful Hi Point Competition and the winners of the Arthur Clothier Memorial Trophy were ecstatic. The award went to Chandelier Reflection owned and exhibited by Robert & Kerry Wickson, Orange, NSW. Robert came late to the Show Ring and is an inspiration to us all.

Last year the NSW ANSA Feature Show was offered to Orange Agricultural show and was to have been held in May 2020. As we know, this did not occur.

It is anticipated that it will go ahead at Orange on 8 May 2021.

It is expected that Wellington Show will run on 9 May 2021 and will also have an ANSA Program.

Stay tuned for program and confirmed date.

ACTEWAGL ROYAL CANBERRA SHOW 2021

Many of you will be aware that a very difficult decision was reached by the Show to postpone till later in the year on a date selected to coincide with other Royal Shows.

While many organisations are coming to grips with the running of Covid-Safe events the logistics of conducting a Show with such a big attendance must be daunting. The Showgrounds themselves are still running as an ACT Covid Testing Station.
